Sri Lanka road trip tour

A month in Sri Lanka: two weeks on a local project, a week of surf and yoga in Ahangama, then a week on the road from Yala to Sigiriya, through tea country and temples.

Sri Lanka 4 weeks **From €2,550 per person**

The tour

This road trip unfolds in three stages over a month. For the first two weeks, you join **a local project** of your choice: education in local schools, sea turtle conservation, environmental work or a dog shelter. Each week, an afternoon of yoga and an outing, first a visit to a Buddhist temple, then a group bike ride, break up the routine.

The third week changes pace in **Ahangama**, on the south coast, with surfing near Kabalana beach and yoga with experienced instructors. The final week is a proper tour: a safari in **Yala**, the highlands of **Ella**, the Temple of the Tooth in **Kandy**, **Sigiriya** rock and Dambulla market, all the way to Colombo airport.

It suits adults, young travellers and families with time on their hands who want to see Sri Lanka from several angles: local life, the coast and the country's great sights.
