Spanish lessons

A personalized, motivating, and student-centered educational program designed to immerse them in a dynamic learning experience. Throughout the program, we maintain a playful approach, ensuring engaging and lively lessons. Our native-speaking teachers bring extensive experience to create a pleasant and effective learning environment.

The courses focus on developing the four essential language skills: speaking, reading, writing, and listening comprehension.

- 20 lessons per week, conducted entirely in Spanish, with a maximum of 15 students per class.
- Learning materials included.
- Maximum of 12 students per class.
- Classes take place within the residence.

Cultural activities

A mix of cultural, social, and sports activities is organized every school day, along with evening activities and weekend excursions. These activities are designed to help students explore the local culture, practice their Spanish outside the classroom, and have a great time.

Some activities will be organized together with local youth.

- **Cultural Activities:** These take place in Málaga on weekday afternoons and last between 2 to 4 hours. Examples include walking tours, flamenco and salsa classes, museum visits, etc. (5 activities per week).
- **Evening Activities:** In the evenings, students will have the opportunity to socialize during organized events such as disco nights, movie nights, and evening tours. (3 activities per week).
- **Excursions:** 1 per weekend – Students will go on a full-day excursion or participate in a cultural activity at a site near Málaga. Full-day excursions may include destinations like Nerja/Frigiliana, Marbella and the coast, Río Chillar, or Aqualand. During these outings, the school will provide students with a packed lunch and a snack.

**** Note:** Students enrolled for only one week will not participate in weekend activities/excursions.
