Schedule

During your stay, you will participate in many activities :

Surf lessons for all levels:

We offer high quality surf lessons for all levels at Kabalana beach. Including group surf lessons for beginners, and surf coaching for intermediate and advanced surfers. Kabalana beach offers a wide variety of waves ranging from a beach break for beginners, to a reef break for advanced surfers.

Apart from our main focus being on delivering the highest quality surf lessons, we want to ensure you experience a wide range of different activities outside surf lessons. During your stay you will enjoy many fun surf camp activities such as magical sunsets, exploring hidden beaches, safaris, BBQ nights and much more.

Yoga lessons:

Yoga classes will be taught every morning on the roof of our beautiful villa, staring at Ahangam's gorgeous sea view.

Coconut tree hill

A very famous and beautiful spot to visit on Sri Lanka. Perfect to make good quality pictures, enjoy nature and the beautiful view.

Sunset

What is more mesmerizing than watching the sunset!

Barbacue night

The BBQ night is a special night, it is the night we enjoy together as a family and throw a small party in our Surf Villa. You can expect delicious food which we enjoy all together. The BBQ night will have vegan, vegetarian, gluten- or lactose free options available.
